Cardel Howell austin Hattenburg Tommy Trevino

## Other

Additional Information:

We directional drilled through this location. NO gas locates within 50' pulled back the pipe. We had to dig up at the exact spot that this unlocated steel gas line was. The mini ex operator damaged the coating on the unlocated pipe.... we then found the conduit touching the bottom of the pipe..... the bottom of the steel line was obviously damaged during the pullback..... it was not located.

By submitting this form I acknowledge that the statements that I alleged are true and accurate to the best of my knowledge.
