RE: Docket UE-240579—PacifiCorp's Affiliated Interest Filing with MidAmerican Energy Company

On July 24, 2024, PacifiCorp d/b/a Pacific Power & Light Company submitted notice of an affiliated interest transaction with MidAmerican Energy Company through which PacifiCorp supplied MEC with two pad-mount transformers.

This transaction will not impact Washington rates or Washington customers because the transformers were Wyoming-allocated distribution assets and were not part of Washington's rate base. Notwithstanding, PacifiCorp provided the notice under the requirements of RCW 80.16 et. Seq out of an abundance of caution.

PacifiCorp respectfully requests that all data requests regarding this matter be addressed to:

By e-mail (preferred): datarequest@pacificorp.com

Please direct informal questions to Ariel Son, Regulatory Affairs Manager, at (503) 813-5410.

Sincerely,
