RE: Docket 240585, revised Tariff

Dear Jeff Killip,

Since we have not heard from the Commission staff regarding Water of Bethel, LLC, request for increase in rates we are submitting the corrected Schedule 2 and effective date of November 1, 2024 showing the rates we require to operate the business. We have received only one data request during our review period and have heard nothing in response other than a request to extend. We originally submitted with a 60-day effective date and then extended another 30 days at the request of commission staff however did not receive any correspondence requesting further information.

We look forward to being on the October 24th Open Meeting and allowing our new rates to go into effect November 1st.

Sincerely,

Sincerely,
Water of Bethel/ Cole Loncar
