Dear Mr. Killip:

Attached please find revised pages for Tariff Number 10, as well as supporting documentation for the commodity price adjustment. Tariff pages 1, 21, and 24 are affected by this change.

The residential adjustment will change from a debit of \$2.93 to a debit of \$1.32, a decrease of \$1.61 per customer, per month. There are approximately 63,200 customers affected by this change. The multi-family adjustment will change from a debit of \$1.42 to a debit of \$0.61, a decrease of \$0.81 per customer, per month. There are approximately 14,000 customers affected by this change.

Pacific Disposal, Butlers Cove Refuse Service and Rural Garbage Service do not currently participate in any county revenue share program.

If approved by the Washington Utilities and Transportation Commission, the revised commodity credit will go into effect on January 1, 2025.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276 for customer notification. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the rates will become effective on January 1, 2025. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the billing reflecting the revised rates.
