Re: Marine View Heights Homeowners Association
v. Marine View Heights, Inc.
Docket No. UW-940325

TO PARTIES OF RECORD:

The Commission was notified by Marine View Heights, Inc., that the Commission's March 11, 1994 notification of the filing of the formal complaint in the above-captioned and docketed matter had been received on March 18, 1994. The company requested a one-week extension of the 20 day period in which to file an answer to the complaint.

The Commission believes that an inadvertent delay in the handling of this mailing by the state's centralized mail processing system may have resulted in untimely delivery of the complaint notification. Therefore, the Commission will grant the company a one-week extension to file an answer. The company's answer must be filed with the Commission not later than close of business on Friday, April 8, 1994. The company is reminded that it must return to the Commission the completed form acknowledging receipt of notification of the filing of the formal complaint.

Sincerely,

Steve McLellan
Secretary
