Re: TG-220638, Trilogy MedWaste West, LLC

Dear Ms. Maxwell:

Pursuant to WAC 480-07-110, Trilogy MedWaste West, LLC, in reference to its previously-filed LSN seeking to correct a transcription error in an isolated service category contained in revised rates approved by the Commission and effective August 1, 2022, now requests an exemption from the notice requirements of WAC 480-70-271 to notify affected customers on the subsequent monthly invoice of the requested restoration of the previous per gallon rate for generator customers in the 51-100 gallon per pickup category.

Thank you for your attention to this matter and please contact me or Weldon Burton, CPA with any further questions on the above.

Yours truly,

WILLIAMS, KASTNER & GIBBS PLLC
