**RE: Amendments to Verified Petition of AT&T Mobility to Amend Its
Designation as an Eligible Telecommunications Carrier, Docket No. UT-
043011**

Dear Mr. Danner:

Enclosed for filing please find several amendments to the Verified Petition of AT&T Mobility to Amend its Designation as an Annual Eligible Telecommunications Carrier; specifically, Exhibit A, Confidential Exhibit F, and a Confidential disc containing coverage and cell site information including metadata. Confidential Exhibit F and the Confidential disc contain certain confidential and proprietary information for which AT&T Mobility seeks confidential treatment pursuant to RCW 80.04.095. Consistent with Commission practice, AT&T Mobility has specifically designated the information that is confidential and provided both the complete responses – printed on yellow paper, marked “CONFIDENTIAL” and enclosed in a separate envelope marked “CONFIDENTIAL pursuant to RCW 80.04.095” – and a public response from which the confidential information has been redacted. All of the information contained on the disc is confidential and the disc has been marked as such.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Cindy J. Manheim".
