Re: *Qwest Corporation's Motion to Modify the Requirements of Order No. 02*
Docket No. UT-053005
and
In the Matter of the Petition of Multiband Communications LLC for
Approval of Line Sharing Agreement with Qwest Corporation Pursuant
to Section 252 of the Telecommunications Act of 1996
Docket No. UT-053005

Dear Ms. Washburn:

On May 22, 2006, Qwest Corporation filed a motion to eliminate a filing requirement imposed by the Commission's Order in the above-referenced *Multiband* case. Qwest asks that it be relieved of the obligation to file with the Commission all agreements it has reached with competitive local exchange carriers. Under its proposal, Qwest will continue to file such agreements but not those whose terms are identical to those already on file with the Commission. Commission Staff does not oppose Qwest's motion.

Sincerely,

SALLY G. JOHNSTON
Senior Assistant Attorney General
