Description	<p>Commissioners:</p> <p>We are very concerned about the increase in water rates proposed by Rosario Utilities. This is an extreme increase and we believe we have had insufficient time to look at possible options to resolve the situation. We are totally supportive of the efforts of the leaders of our homeowners association in representing us.</p> <p>As consumers we would like to be more clear about costs involved in maintaining the system. Why are the projected costs so much more than the rates of other water providers on our island?</p> <p>Please grant the suspension we are requesting in order to give us all time to understand the issues and to come together as a community in finding a fair and reasonable outcome for all concerned.</p> <p>Sincerely John and Fountiene Prince [REDACTED] Eastsound, WA 98245</p>
