

**Internet Service Provider (“ISP”) Bound Traffic Amendment
to the Type 2 Wireless Interconnection Agreement between
Qwest Corporation and
AT&T Wireless Services, Inc.
for the State of Washington**

This is an Amendment (“Amendment”) to the Type 2 Wireless Interconnection Agreement between Qwest Corporation (“Qwest”), formerly known as US WEST Communications, Inc., a Colorado corporation, and AT&T Wireless Services, Inc. (“Wireless Service Provider (“WSP”). WSP and Qwest shall be known jointly as the “Parties”.

RECITALS

WHEREAS, WSP and Qwest entered into the aforementioned Agreement (“Agreement”) which was approved by the appropriate state Commission (“Commission”); and

WHEREAS, The FCC issued an Order on Remand and Report and Order in CC Docket 99-68 (Intercarrier Compensation for ISP-Bound Traffic); and

WHEREAS, the Parties wish to amend the Agreement to reflect the aforementioned Order under the terms and conditions contained herein.

AGREEMENT

NOW THEREFORE, in consideration of the mutual terms, covenants and conditions contained in this Amendment and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree to the language as follows in lieu of existing contract language:

1. Definitions

For purposes of this Amendment the following definitions apply:

1.1 “Bill and Keep” is as defined in the FCC’s Order on Remand and Report and Order in CC Docket 99-68 (Intercarrier Compensation for ISP-Bound Traffic). Bill and Keep is an arrangement where neither of two (2) interconnecting networks charges the other for terminating traffic that originates on the other network. Instead, each network recovers from its own end users the cost of both originating traffic that it delivers to the other network and terminating traffic that it receives from the other network. Bill and Keep does not, however, preclude intercarrier charges for transport of traffic between carriers’ networks.

1.2 ISP-Bound “ISP-Bound Traffic” means the offering of information access pursuant to 47 U.S.C. §251 (g) and the Order with respect to information services as defined in 47 U.S.C. §153(20), and includes telecommunications traffic delivered to an ISP.

2. Exchange Service (EAS/Local) Traffic

Notwithstanding any provision of the Agreement to the contrary, the Parties agree to exchange all EAS/Local (§251(b)(5)) traffic at the rates set forth in Section 3.2.3 below, pursuant to the FCC's Order on Remand and Report and Order in CC Docket 99-68, (Intercarrier Compensation for ISP-Bound Traffic) ISP-BoundThe rate shall apply to all EAS/Local Traffic in lieu of End Office call termination and Tandem Switched Transport rate elements otherwise set forth in the Agreement.

3. ISP-Bound Traffic

3.1 Qwest elects to exchange ISP-Bound traffic at the FCC ordered rates pursuant to the FCC's Order on Remand and Report and Order (Intercarrier Compensation for ISP-Bound Traffic) CC Docket 99-68 (FCC ISP Order), effective June 14, 2001, and usage based intercarrier compensation will be applied as follows:

3.2 Compensation for Interconnection configurations exchanging traffic pursuant to Interconnection agreements as of adoption of the FCC ISP Order, April 18, 2001:

3.2.1 Identification of ISP-Bound traffic -- Qwest will presume traffic delivered to WSP that exceeds a 3:1 ratio of terminating (Qwest to WSP) to originating (WSP to Qwest) traffic is ISP-Bound traffic. Either Party may rebut this presumption by demonstrating the factual ratio to the state Commission. Traffic exchanged that is not ISP bound traffic will be considered to be section 251(b)(5) traffic. The provisions in this amendment apply regardless of how the ISP bound traffic is determined.

3.2.2 Growth Ceilings for ISP-Bound Traffic -- Intercarrier compensation for ISP-Bound traffic originated by Qwest end users and terminated by WSP will be subject to growth ceilings. ISP-Bound MOUs exceeding the growth ceiling will be subject to Bill and Keep compensation.

3.2.2.1 For the year 2001, WSP may receive compensation, pursuant to a particular Interconnection Agreement for ISP bound minutes up to a ceiling equal to, on annualized basis, the number of ISP bound minutes for which WSP was entitled to compensation under that Agreement during the first quarter of 2001, plus a ten percent (10%) growth factor.

3.2.2.2 For 2002, WSP may receive compensation, pursuant to a particular Interconnection Agreement, for ISP bound minutes up to a ceiling equal to the minutes for which it was entitled to compensation under that Agreement in 2001, plus another ten percent (10%) growth factor.

3.2.2.3 In 2003, WSP may receive compensation, pursuant to a particular Interconnection Agreement, for ISP bound minutes up to a ceiling equal to the 2002 ceiling applicable to that Agreement.

3.2.3 Rate Caps -- Intercarrier compensation for ISP-Bound traffic exchanged between Qwest and WSP will be billed at the following rates:

3.2.3.1 \$.0015 per MOU for six (6) months from June 14, 2001 through December 13, 2001.

3.2.3.2 \$.001 per MOU for eighteen (18) months from December 14, 2001 through June 13, 2003.

3.2.3.3 \$.0007 per MOU from June 14, 2003 until thirty six (36) months after the effective date or until further FCC action on intercarrier compensation, whichever is later.

3.2.3.4 Compensation for ISP bound traffic in Interconnection configurations not exchanging traffic pursuant to Interconnection agreements prior to adoption of the FCC ISP Order on April 18, 2001 will be on a Bill and Keep basis until further FCC action on Intercarrier compensation. This includes carrier expansion into a market it previously had not served.

4. Effective Date

This Amendment shall be deemed effective upon approval by the Commission; however, Qwest will adopt the rate-affecting provisions for both ISP bound traffic and (§251(b)(5)) of the Order as of June 14, 2001, the effective date of the Order.

5. Further Amendments

Except as modified herein, the provisions of the Agreement shall remain in full force and effect. Neither the Agreement nor this Amendment may be further amended or altered except by written instrument executed by an authorized representative of both Parties. This Amendment shall constitute the entire Agreement between the Parties, and supercedes all previous Agreements and Amendments entered into between the Parties with respect to the subject matter of this Amendment.

The Parties intending to be legally bound have executed this Amendment as of the dates set forth below, in multiple counterparts, each of which is deemed an original, but all of which shall constitute one and the same instrument.
