Dear UTC,

Desert Wave Limousine Service is providing additional information for docket number TE-1990052.

On July 12, 2021 WSP come to Desert Wave located at 2569 N. Columbia Center Blvd Richland and did a vehicle inspection on both vehicles listed in this petition.

I have attached both Uniform Limousine Vehicle Inspection for the 2005 Hummer, license number B15674L, and the Lincoln Town Car license number B53185K. Both limousines passed the inspections to be a limousine carrier in Washington State.

Thank you

William Kim Jones
