RE: *Washington Utilities and Transportation Commission v. Puget Sound Pilots*
Docket TP-250574

TO ALL PARTIES:

On June 29, 2026, the Washington Utilities and Transportation Commission (Commission) entered Order 06 Final Order Rejecting Tariff Filing; Authorizing and Requiring a Compliance Filing in the above-referenced docket (Order 06). Order 06, among other things, required Puget Sound Pilots (PSP) to make a compliance filing in this docket including all tariff sheets that are necessary and sufficient to effectuate the terms of Order 06.

On July 9, 2026, PSP made its compliance filing as required by Order 06. The Company's tariff pages and workbooks provided the calculations needed for Commission staff (Staff) to be able to review compliance with Order 06. On July 14, 2026, PSP filed revised tariff sheets.

On July 17, 2026, Staff filed a letter in this docket indicating that it has reviewed the compliance filing provided by PSP on July 9, 2026. According to Staff, the initial compliance tariff filing did not account for Staff's transportation adjustment of -$210,794, as determined in Order 06. However, per Staff's letter, after discussions with PSP, the Company filed its revised tariff sheets with supporting calculation workbook on July 14, 2026, and Staff believes the revised tariff sheets comply with the revenue requirement as stated in Order 06.

Staff notes that both the Pacific Merchant Shipping Association and PSP filed motions for reconsideration on July 9, 2026, regarding the Commission's ruling. However, Staff views these motions as an issue separate from PSP's compliance filing and believes that the Company's tariffs as filed on July 14, 2026, are compliant with Order 06 and should be allowed to go into effect.

The Commission agrees that PSP's July 14, 2026, filing complies with the condition set forth in Order 06 and should be allowed to go into effect as scheduled.
