Re: *WUTC v. Canterwood Water Company, Inc.*
Docket No. UW-040651

Dear Ms. Washburn:

Enclosed for filing in the above-referenced docket are an original and 11 copies of a Settlement Agreement, Testimony of Danny Kermode of Commission Staff in Support of the Settlement Agreement, and Certificate of Service.

The Parties request a streamlined review of the settlement because Canterwood, with no objection from Staff, would like the rates to become effective as soon as possible in time for its next billing cycle. To that end, the Parties waive an oral presentation and entry of an initial order, and ask that the Commission enter only a final order in this docket.

If you need any additional information, please let me know.

Sincerely,

MICHAEL A. FASSIO
Assistant Attorney General
