Dear Ms. Washburn;

Enclosed please find an original and three copies of Revised Original Sheet No. 128-a to replace the sheet included in our March 28, 2002, filing under Docket Nos. UE-011570 and UG-011571 (our Advice No. 2001-51). The revised sheet is:

The purpose of this substitution is to correct the kWh block description of Schedule 31 in Schedule 128 to correspond with the kWh block description applicable to Schedule 31. This revision has been discussed with the Commission's staff. There are no other changes to this schedule as a result of this revision.

If you have any questions regarding this revision please contact Lynn Logen at (425) 462-3872. If you have other questions I can be reached at (425) 456-2797.
