REQUEST FOR SCHEDULE INFORMATION
(By Monday, November 10, 2003 at Noon)**

RE: In the Matter of the Review of Unbundled Loop and Switching Rates and Review of the Deaveraged Zone Rate Structure (Recurring Costs)
Docket No. UT-023003
In the Matter of the Review of Unbundled Loop and Switching Rates; the Deaveraged Zone Rate Structure, and Unbundled Network Elements, Transport, and Termination (Non-recurring costs)
Docket No. UT-033034

TO ALL PARTIES OF RECORD:

On October 24, 2003, AT&T, Covad, WeBTEC, MCI and XO Washington (moving parties) filed a joint motion to exclude Qwest rate issues from consideration in this proceeding.

On November 3, 2003, Verizon filed a response to the motion.

On November 4, 2003, AT&T, MCI and Staff requested an opportunity to reply to Verizon's response. The date for filing replies is noon on November 10, 2003.

On November 6, 2003, AT&T, Covad, Commission Staff, Qwest, MCI, Verizon and XO filed a request for suspension of the November 18, 2003 deadline for filing supplemental direct testimony in Docket No. UT-023003. The request is based on the pending motion to exclude Qwest, the resolution of which may have considerable impact on the structure of the case and on testimony that may be filed.

The parties have stated good cause for temporary suspension of the filing date for supplemental direct testimony in this case. All other dates in the schedule of proceedings for the above-captioned dockets remain in effect.

NOTICE IS GIVEN that the deadline for filing supplemental direct testimony in this case is suspended. The parties are requested to notify the Commission by Monday, November 10, 2003 at noon whether they would be available for a prehearing conference to discuss scheduling in Docket Nos. UT-023003 and UT-033034 on November 18 or 19, 2003.

Sincerely,

THEODORA M. MACE
