RE: *In the Matter of the Petition of Puget Sound Energy, Inc. for Approval of a Power Purchase Agreement for Acquisition of Coal Transition Power, and the Recovery of Related Acquisition Costs,*
Docket UE-121373

TO ALL PARTIES:

On January 9, 2013, the Washington Utilities and Transportation Commission (Commission) entered Order 03 in the above-referenced docket. Order 03 approved the Coal Transition Power Purchase Agreement (PPA) between TransAlta Centralia Generation LLC (TransAlta) and Puget Sound Energy, Inc. (PSE), which required, among other things, that PSE file annual reports detailing “plant operations and the sources of power from which TransAlta satisfies its delivery obligations to PSE under the PPA, and information concerning the payments and disposition of payments as required under the Memorandum of Agreement between the Governor’s Office and TransAlta Centralia entered into on December 23, 2011.”

On February 27, 2024, PSE submitted its 2023 Annual Compliance Report for the period December 1, 2022, through December 31, 2023.

On December 19, 2024, Commission staff (Staff) filed a letter in this docket attesting to PSE’s compliance with the requirement to file an Annual Compliance Report for the period of December 1, 2022, through December 31, 2023.

The Commission agrees with Staff's assessment that PSE's annual report compliance filing complies with reporting requirement adopted by Order 03 issued on January 9, 2013.
