RE: Washington Utilities and Transportation Commission v. PacifiCorp d/b/a Pacific Power & Light Company,
Docket UE-210532 Order 06 and Docket UE-210328 Order 03 (Consolidated)

Dear Amanda Maxwell:

On January 18, 2022, the Washington Utilities and Transportation Commission (Commission) entered Order 06, Final Order Approving and Adopting Settlement Agreement.

Order 06, required PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp) to make a compliance filing that includes new and revised tariff sheets to implement the requirements of Order 06.

On January 21, 2022, PacifiCorp filed with the Commission its revised tariff sheets. PacifiCorp's revisions to Tariff WN U-76 reflect the authorized \$1.9 million rate decrease and \$2.8 million refund to customers. The refund will be amortized over a 12-month period. Staff has verified that the tariff rates reflect the revenue requirement decrease and refund approved by the Commission in Order 06.

Commission Staff reviewed the compliance filing provided by PacifiCorp on January 21, 2022 and finds that it complies with the Commission's Order 06, entered January 18, 2022.

Sincerely,

Elizabeth O'Connell
Regulatory Analyst.
