Dear Mr. Busch:

Subject: 2004 Operator Qualification Inspection of Weyerhaeuser Company

On December 14, 2005, Pipeline Safety Staff (Staff) completed its review of Weyerhaeuser's revised Operator Qualification plan and procedures. I am pleased to report that staff did not find any apparent violations as a result of the inspection. Docket number PG-040984 will be closed as of January 12, 2007.

We thank Weyerhaeuser personnel and their consultant for their cooperation and assistance during this inspection. Please contact Patti Johnson at (360) 664-1266 if you should have any questions or require further assistance.

Sincerely,

Alan E. Rathbun
Pipeline Safety Director
