NOTICE MODIFYING PROCEDURAL SCHEDULE

Re: *WUTC v. AT&T Communications of the Pacific Northwest, Inc.*,
Docket UT-060962

On July 30, 2007, Commission Staff filed a letter requesting that the Commission modify the procedural schedule in this proceeding. The basis for Staff's request is that the parties are engaged in productive settlement negotiations but require additional time for discussions without the burden of simultaneously preparing testimony and otherwise preparing for hearing.

Commission Staff shows good cause to modify the procedural schedule and its request indicates the parties have discussed and agree to the revised schedule Staff proposes. Accordingly, the request is granted.

THE COMMISSION GIVES NOTICE that the procedural schedule in this proceeding is modified as follows:

| | <u>From</u> | <u>To</u> |
