SUPPORT STATEMENT

(To be completed by the individual or business/organization supporting the request for operating authority)

THE TRANSPORTATION NEED Briefly describe the transportation service that you need and that the application could provide to you or your business/organization if this request for operating authority is granted. I need to have my garbage/recyclables picked up as part of Grey Line Village bins (commercial status)

Are your transportation needs being met now? Yes No X If not, explain problems you have experienced. - Am a retiree - cannot have large amounts of garbage pile up - cannot carry + cannot use outside garbage can because of raccoons, rats, etc. Pay for garbage pickup as part of my pad rent, so added costs will strain my budget.

If the request is denied, would it have any affect on you or your business/organization: Yes X No If yes, please explain. I live in a rural mobile home park on low SS. My garbage was brought to a large bin at the entrance to the park by myself in small amounts. cannot keep an outside garbage pail because of raccoons/rats, etc. Bringing the garbage to the dump will increase my living costs as well - frequent trips (gas) + garbage bags + already pay for the park bin garbage pickup
