Re: Docket Nos. TG-111672, TG-111674 and TG-111681, In re: Murrey's Disposal *et al.*

Dear Mr. Danner:

On Thursday, March 29, 2012, counsel for Murrey's *et al.* ("the WCI Companies") and Commission Staff had a telephone conference call with Judge Kopta, following the workshop in Docket TG-112162 held the previous day, to discuss scheduling in the three consolidated dockets referenced above. By this letter, the WCI Companies formally requests, pursuant to RCW 81.04.130, a waiver of the suspension period in the above captioned proceeding that would extend the deadline for action by the Commission on the suspended rates from September 1, 2012 to December 1, 2012. In consideration, the WCI Companies also requests, concurred in by Staff, that the current briefing deadlines in the retrospective portion of the case be extended until after the anticipated interpretive statement in TG-112162 is entered and considered by the parties.

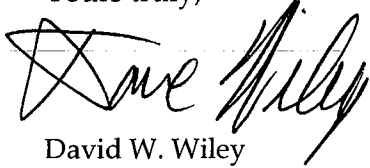

Based on previous briefing schedules in other now-scheduled revenue share dockets, we would request that the opening brief for summary adjudication be reset for Wednesday, July 25, 2012, with responses due on Monday, August 13, 2012.

Finally, the parties also anticipate that the evidentiary hearing date of June 6, 2012, may now be more tentative in light of the workshop proceeding and anticipated interpretive statement order to be issued under RCW 34.05.230.

David Danner, Executive Director and Secretary
Washington Utilities and Transportation Commission
