3 The administrative rules at issue are WAC § 480-07-340, -355.

4 AWEC is an incorporated, non-profit association of large energy consumers in the
Pacific Northwest and represents some of Puget Sound Energy’s (“PSE” or the “Company”) largest customers.

5 AWEC’s member companies have a substantial interest in PSE’s Tacoma LNG Tracker Tariff, which the Company filed on May 25, 2023. The rate impacts associated with implementing the Tacoma LNG Tracker could substantially and directly affect AWEC members who take natural gas service from PSE. Accordingly, AWEC requests leave to intervene in this proceeding to represent its members who would be affected by any change to PSE’s rates and programs.

6 AWEC has extensive experience in proceedings before the Commission involving PSE. AWEC participated in the Company’s last general rate case and the genesis of this filing, UE-220066/UG-220067, and has been a party in many prior Company rate proceedings over the past decades, either under its own name or through its predecessor organizations the Industrial Customers of Northwest Utilities and the Northwest Industrial Gas Users. AWEC’s intervention in this proceeding will assist the Commission in resolving issues and will not unreasonably broaden the issues, burden the record, or delay this proceeding.

7 As described above, AWEC has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by any Commission determination made in connection with this proceeding. Thus, it is in the public interest to allow AWEC to intervene in this proceeding.

PAGE 2 – PETITION TO INTERVENE OF AWEC

WHEREFORE, AWEC respectfully petitions the Commission for leave to intervene in this proceeding.

Dated this 2nd day of June, 2023.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
