Subject: December 2006 Service Quality Report

Dear Ms. Washburn:

Pursuant to WAC 480-120-439, enclosed is the Verizon Northwest Inc. Service Quality Performance Report for last month.

Central office level detail is marked "Confidential pursuant to WAC 480-07-160" as it includes access line count and activity information that would have economic value to the Company's current and potential competitors, such as in determining when and where to enter begin operation. In addition to the information required by WAC 480-120-439, we are also enclosing the document VzNW Trbl 12mo CONF at the request and for the convenience of the Commission Staff.

Our Skykomish Central Office had trouble report results above the Commission's standard for the second consecutive month. There was no single cause. In that small of an office, a couple of reports can cause the standard to be missed.

If you have any questions concerning this report, please call me at 425-261-5006 or email me at richard.potter@verizon.com.

Very truly yours,

Richard E. Potter
Director
Public Affairs, Policy & Communications
