

EP Data Request 24

What has been the annual funding level for PacifiCorp’s Washington low-income weatherization program for each of the past ten (10) years?

Response to EP Data Request 24

The Company objects to this request to the extent that it requests information for time periods not relevant to this proceeding. Without waiving this objection, the Company responds as follows:

Year	Annual Funding	Number of Residential Customers	Funding per Residential Customer
