OFFICE OF THE GOVERNOR

Dear Governor Gregoire,

Thanks for your constant and reliable efforts to improve the quality of life for residents of Washington State. We are proud of you!!

Enclosed are signatures collected on Sat. 06.24.06 at the weekly Bellingham Farmers Market. They petition you to investigate the illegal actions of the Cheney administration and their coercion of telephone companies to act illegally.

They seem to be serious breaches of the law.

Sincerely,
Thomas C. Hall
