Energy Project Data Request 71

Energy Project Data Request 71

Relative to their respective numbers, please state the percentage of low income customers and non-low income customers whose actual consumption exceeds 1,700 kWh/month for each month of the test year.

Response to Energy Project Data Request 71

Please see Attachment EP 71, tab “EP 71,” for the percentage of low income customers and non-low income customers whose actual consumption exceeds 1,700 kWh/month for each month of the test year.

Attachment EP 71 also contains monthly bill frequency detail for the total year and by month for the low income and non-low income customers.

PREPARER: Mike Zimmerman

SPONSOR: Joelle R. Steward

Tab "EP 71" provided below:

% of Bills with Monthly Consumption over 1,700 kWh
