**Re: Docket No. U-072375  
Commitment Status Report Submitted Pursuant to Commitment Number 32  
of Appendix A to the Multiparty Settlement Stipulation**

Dear Mr. Danner:

Puget Sound Energy, Inc. ("PSE") and Puget Holdings LLC hereby submit to the Washington Utilities and Transportation Commission an original and twelve copies of PSE's *Annual Report of Status of Commitments* ("Annual Report"). This Annual Report is provided to satisfy Commitment 32 in Appendix A to the Multiparty Settlement Stipulation as approved in Order No. 08 in Docket number U-072375 granting approval of acquisition of PSE by Puget Holdings. Commitment 32 provides:

By April 1, 2009, and each April 1 thereafter through April 1, 2013, PSE will file a report with the Commission regarding the implementation of the Commitments as of December 31 of the preceding year. The report will, at a minimum, provide a description of the performance of each of the Commitments. If any of the Commitments is not being met, relative to the specific terms of the Commitment, the report shall provide proposed corrective measures and target dates for completion of such measures. PSE will make publicly available at the Commission non-confidential portions of the report.

Please find in the following document the Multiparty Settlement Stipulation list of Commitments, including the Commissions' Clarifying Commitments, and the status of each of these Commitments as applicable for the time period January 1, 2008, through December 31, 2008, detailing PSE's performance in meeting the Commitments as required in the above docket.

Since the transaction did not close until February 6, 2009, which is after the December 31 cut-off period, the status description for each commitment describes the status as of March 31, 2009.
