Re: *Washington Utilities and Transportation Comm'n v. Puget Sound Pilots* - Docket TP-1909

Dear Mr. Johnson:

Please find attached revised testimony of John C. Ramirez. We realized that the previous revision was missing a table of contents and a summary of the testimony. This has been remedied, and the summary is now Exhibit JCR-1Tr2 at 4-5. An updated exhibit list to reflect this second revision and a certificate of service are also enclosed.

These attachments were all served upon the parties on July 14, 2020. We believed we had filed them in the UTC web portal that same day, but we have just discovered that they inadvertently did not get filed. They are being filed electronically today so that the record before the Commission is complete.

Feel free to contact me should you have any questions.

Sincerely,

FOSTER GARVEY PC
