**AMENDMENT NO. 27 TO
WHOLESALE SERVICES AGREEMENT**

THIS AMENDMENT NO. 27 (this "Amendment") is by and between **Qwest Communications Company, LLC** ("Qwest") and **Qwest Corporation** ("Customer") and amends the Wholesale Services Agreement between Customer and Qwest dated effective as of July 29, 2004, as may have been previously amended by amendment, addenda or rate change notification (the "Agreement"). This Amendment shall be effective as of the date when it has been signed by both Parties (the "Amendment Effective Date"). All capitalized terms used herein which are not defined herein shall have the definitions ascribed to them in the Agreement. The Parties hereby agree to amend the Agreement as follows:

1. New Services.¹ The service descriptions and related rate exhibits set forth in Exhibit(s) T-2 attached to this Amendment (the "New Services") shall be added to the Amendment and shall replace and supersede in their entirety certain service descriptions and rates as previously attached to the Agreement (or any amendment, addenda or rate change notification to the Agreement), including without limitation, Exhibits T-2 (the "Old Services"). The list of Service Exhibits in the "Applicable Services" portion of the Agreement shall be deemed revised by the deletion of the Old Services and the addition of the New Services. Qwest agrees to provide the New Services in accordance with the terms of the Agreement and this Amendment. The terms, rates and discounts, if any, for the New Services shall be effective as of the first business day of Customer's next full monthly billing cycle following the Amendment Effective Date, provided, however that the rates for any Old Services in place as of the Amendment Effective Date shall continue to apply until the expiration of the applicable service term for such Old Services and until changed pursuant to Customer order.

2. Effective Date. This Amendment shall be effective as of the date it is executed by the last Party to execute (the "Amendment Effective date") and be deemed incorporated by reference into the Agreement; provided however, that if under applicable law, this Agreement or notice thereof must be filed with a governmental entity, including, but not limited to, a state public utility commission, this Agreement shall not become effective with respect to the jurisdiction having such requirements until such filing have occurred. In particular, this Agreement shall not be effective with respect to the State of Washington until it is filed with Washington Utilities and Transportation Commission. The terms, rates and discounts, if any, for the New Services shall be effective as of the Amendment Effective Date.

3. Miscellaneous. All other terms and conditions in the Agreement shall remain in full force and effect and be binding upon the Parties. This Amendment and the Agreement set forth the entire understanding between the Parties as to the subject matter herein, and in the event there are any inconsistencies between the two documents, the terms of this Amendment shall control. To the extent that the terms of any New Service exhibit are inconsistent with the terms of this Amendment or the Agreement, the terms of the New Service exhibit shall control.

4. Counterparts and Facsimile Signatures. This Agreement may be executed by the Parties in separate counterparts, each of which, when so executed and delivered, will be an original, but all such counterparts will together constitute one and the same Agreement. Facsimile signatures will be deemed to be, and will constitute and be treated as, an original signed document or counterpart, as applicable. Qwest will provide the Agreement or any amendment thereto for execution.

¹ Since certain international rates are subject to change on five (5) days notice, Customer acknowledges that, until this Amendment is returned to Qwest, those international rates as set forth in a Service Exhibit may change and that, once this Amendment is executed, the international rates then in effect will be implemented by Qwest. Thereafter, changes to those international rates shall be made pursuant to the rate change process provided for in each Service Exhibit.
