RE: *Cristalina LLC*  
*Dockets UW-090516 & UW-090839*

Dear Sir or Madame:

Attached please find July water use data which is being filed to meet compliance requirements in the above referenced dockets. You will see that the well head readings from the pump house are missing because of a leak that was found in mid-July. It has been repaired but we were unable to obtain the water usage readings with the others. We will provide those readings as quickly as possible.

If you have any questions or concerns, please feel free to contact our office.  
Thank you very much.

Sincerely,
