### enTouch Wireless Prepaid Wireless Lifeline Plan

enTouch Wireless will provide competitive wireless services throughout its Service Area in the State of Washington. Under enTouch Wireless' Lifeline Service Plan, qualified Lifeline customers who reside in Washington will be provided with the following optional plans, built on a base plan, with three options for acquiring a device:

**250 Free Minute Plan:** (Base plan) 250 units and 10mb of data per month. This plan offers 250 minutes (where 1 minute equals 1 unit and 1 text equals 1 unit), for voice and text. Lifeline free minutes are automatically posted each month on the Lifeline customer's service. There are no rollover of minutes.

**Lifeline Upgrade Data Plan:** This plan includes 250 units per month (without rollover) in which 1 minute equals 1 unit and 1 text equals 1 unit, as well as 250 MB of data per month. The plan differs depending on the device: (1) for customers who bring their own device, they will pay a \$5 line fee for 90 days of service; (2) for customers who wish to purchase an entry-level smart phone from Boomerang, they can pay \$25 for the phone, and the \$5 fee will be waived for the first 90 days; after the first 90 days, the \$5 fee for 90 days will apply; (3) for customers who wish to purchase an iPhone 4 or equivalent, they can pay \$50 for the phone, and the \$5 fee will be waived for the first 90 days; after the first 90 days, the \$5 fee for 90 days of service will apply. Should a customer not wish to renew on the 90-day plan for \$5, the plan will convert to the 250 Free Minute plan. The 250 Free Minute plan will provide 250 units per month and 10 MB of data per month.

**Tribal 1,100 Free Minute Plan:** (Base Tribal plan) enTouch Wireless will offer qualified consumers who are eligible for the tribal subsidy the Tribal 1,100 Free Minute Plan<sup>1</sup>, which is the Base Tribal plan. Lifeline is a component of one of four separate federal universal service fund mechanisms[1] known as the “low-income” support mechanism”[2] and is defined in 47 C.F.R. § 54.401 as “a retail local service offering” “available only to qualified low-income consumers” “for which qualifying low-income consumers pay reduced charges as a result of application of the Lifeline support amount” that includes the services or functionalities enumerated in § 54.401, which enTouch Wireless will use to “[m]ake available Lifeline service...to qualifying low-income consumers”.[3] enTouch Wireless’ wireless Lifeline offering will provide eligible customers with 1,100 voice or text units and 100mb of data per month. This plan offers 1,100 minutes (where 1 minute equals 1 unit and 1 text equals 1 unit), for voice and text. Lifeline free minutes are automatically posted each month on the Lifeline customer’s service. There are no rollover of minutes. This plan is only available to eligible applicants residing on Tribal lands. The additional minutes that exceed those offered in the 250 Free Minute plan (described above) is due to the additional \$25.00 per month in Lifeline support to qualifying low-income consumers living on Tribal lands.
