**Re: Puget Sound Energy
Monthly Purchased Gas Adjustment Report per WAC 480-90-233(5)
Docket UG-220715**

Dear Executive Director Hunter:

Attached is an Excel file showing Puget Sound Energy's ("PSE") October 2023 monthly Purchased Gas Adjustment ("PGA") report of the activity in account 191, for unrecovered purchased gas costs. The report shows the beginning balance, monthly entry(s) and ending balances for each subaccount included in account 191. As part of the activity in account 191, the PGA report includes the recovery of balances filed under annual PSE's 2022 PGA Docket UG-220715, as well as, the recovery of balances under Supplemental Schedule 106B, filed in PSE's 2019 General Rate Case Final Order 08 per Dockets UE-190529 and UG-190530 (*Consolidated*). On a going forward basis, to help inform transport customers, PSE will include migration adjustment rates with our 191 reporting, so these customers don't have to back into a calculation of the rate per Rule 29, Section 8 within our Tariff.
