Re: First Amendment to Schedule 139 Voluntary Long-Term Renewable Energy Service Agreement

Dear Mr. Rogoff:

Puget Sound Energy ("PSE") and Sound Transit ("Customer") previously entered into that certain Schedule 139 Voluntary Long-Term Renewable Energy Service Agreement, dated as of July 18, 2017, between PSE and Customer (the "Service Agreement"). Subsequent to the execution of the Service Agreement, the Washington Utilities and Transportation Commission (the "Commission") approved Resource Option Energy Charges under PSE's Schedule No. 139 Voluntary Long-Term Renewable Energy Purchase Rider ("Schedule 139"). PSE desires to amend the Service Agreement as set forth herein to reflect these revisions to Schedule 139 approved by the Commission, which revisions have the effect of reducing Resource Option Energy Charges under the Service Agreement for calendar years beginning 2020, and adjusting the start of the terms to reflect the actual start date in November 2020.

This First Amendment to the Service Agreement (the "First Amendment") confirms the mutually agreed upon updates to the Service Agreement that are consistent with the revisions to Schedule 139 approved by the Commission.

1. Section 6 of the Service Agreement is amended in its entirety and replaced with the following Section 6:
 6. Term. The term of this Service Agreement commenced in the year 2019. Service under Schedule 139 shall begin on the first day of the Customer's normal billing cycle, in the first month following the commencement of commercial operation of the Resource Option (November 2020), and delivery therefrom of energy to the Company sufficient to satisfy the obligations set forth in this Service Agreement. This Service Agreement terminates in calendar year 2030 after 10 billing cycles during such calendar year.

2. Table 1 in Section 7 of the Service Agreement is amended in its entirety to read as follows:

Table 1

Calendar Year	2020	2021	2022	2023	2024	2025
Rate per kWh	\$0.04367	\$0.04454	\$0.04543	\$0.04634	\$0.04727	\$0.04822

Calendar Year	2026	2027	2028	2029	2030	
Rate per kWh	\$0.04918	\$0.05016	\$0.05117	\$0.05219	\$0.05323	

3. Capitalized terms used in but not otherwise defined in this First Amendment have the meanings given to such terms in the Service Agreement.
4. Except as amended by this First Amendment, the Service Agreement is hereby ratified and confirmed in all respects and shall continue in full force and effect according to its terms.
5. This First Amendment will be governed by and interpreted, construed and enforced in accordance with the law of the State of Washington.
6. This First Amendment may be executed by in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. A signed copy of this First Amendment delivered by means of a facsimile machine or electronic transmission in portable document format (pdf) shall be treated in all manner and respects as an original signed version thereof delivered in person.

Please indicate your acceptance of the foregoing by signing and returning the enclosed copy of this letter.

Very truly yours,
PUGET SOUND ENERGY
