**Subject:** Thoughts on Ground Transportation

Hello Stephanie,

I was unable to attend the September 8<sup>th</sup> meeting due to the number of concerned parties in attendance. This may happen again today and I want to pass along my thoughts as they relate to Shuttle services.

Shuttle services are not the same as on-demand service, they require a staging area to pool the guests before they are assigned to a vehicle. I ask that this be given consideration as the TNC issue is being addressed. We're not opposed to any form of transportation, just that we need space to operate an effective service. In addition, we are a quasi-public transportation and use one vehicle for multiple stops compared to the TNC, For Hire, and Taxis which typically only make one stop.

We've met with Michael Ehl's and explained the above and he was understanding of our position.

Thank you
