Re: REDACTED Notice of Notice of Possible Discontinuance of Service

Dear Mr. Danner:

This is to advise that CenturyLink is currently pursuing collection action against a customer who is also a registered telecommunications carrier in Washington. The customer is XXXXXXXX XXXXXXXXXXXX. The services at issue are purchased under tariff, not under the ICA. XXXXXXXX contacted Commission Staff, asking for Staff's assistance with the issue. As a result, CenturyLink has been in discussions with Staff.

The collection action and possible discontinuance of service were originally being pursued under WAC 480-120-172, as this is an individual customer whose service would be discontinued due to non-payment of charges and failure to meet payment arrangements. However, Staff has stated a position that WAC 480-120-083 could apply, and thus require a 30 day notice to the Commission. CenturyLink believes that WAC 480-120-083 does not apply in this case. Nevertheless, as a courtesy, and to avoid dispute, CenturyLink submits this notice to the Commission, advising that XXXXXXXXXXXX's service will be discontinued on December 13, 2012 if the currently agreed-to payment arrangements are not met.

Sincerely,

Lisa A. Anderl
