**Re: Puget Sound Energy, Inc. 2004 PCA Report
Docket No. UE-041570**

Dear Ms. Washburn:

We have discovered a typographical error in the Petition of Puget Sound Energy, Inc. ("PSE" or "the Company") For Approval of its 2004 Power Cost Adjustment Mechanism Report, which was filed with the Commission on August 31, 2004. The required correction is shown in blackline format on the enclosed page 9, line 10 of PSE's Petition.

An original and 12 copies of the blacklined and clean copies of page 9 of PSE's Petition are enclosed, as well as an original and 12 copies of the entire clean, corrected version of the Petition. For the Commission's convenience, we are also providing with the electronic email filing of this letter a complete electronic copy of the corrected Petition.

Please return the extra copy of this letter to us in the enclosed, self-addressed envelope, with the Commission's confirmation stamp. Thank you for your assistance.

Very truly yours,

Kirstin S. Dodge
