Re: Withdrawal of Preproposal Statement of Inquiry
WUTC Docket UE-100849

Dear Ms. Radcliff:

The Washington Utilities and Transportation Commission (Commission) filed a Preproposal Statement of Inquiry (CR-101) regarding renewable energy resources on May 19, 2010, at WSR # 10-11-122. The Commission has decided not to proceed with this rulemaking proceeding and requests that the CR-101 published in WSR # 10-11-122 be withdrawn.

On January 3, 2011, the Commission issued, to all interested persons in the rulemaking docket, a report and policy statement concerning acquisition of renewable resources by investor-owned utilities. On January 5, 2011, the Commission filed, for publication in the state register, a notice regarding the policy statement.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
