Dear Mr. McLeod,

AT&T requests the commencement of negotiations under Section 252 of the Telecommunications Act of 1996 for the states of Alabama and Kentucky. This request includes all interconnection issues enumerated in Sections 251 and 252, including prices and terms for network elements used for the origination and completion of interexchange services traffic. My expectation is that our companies can come to a mutually acceptable arrangement through negotiations as envisioned by the Act.

In accordance with the Telecommunications Act, the formal date for commencement of the negotiations for Alabama & Kentucky would be the day after receipt of this letter. I propose that our negotiations for all of these states include all GTE telephone companies including CONTEL. Consistent with the ongoing national negotiations for the first twenty states notified, we propose that the negotiations be held on a combined basis and at a corporate level.

We realize there are a significant number of issues to resolve. We are confident that with a concerted and cooperative spirit, we can resolve these issues in a mutually agreeable manner.

Sincerely,

R. Reed Harrison III
