---------------------------------	----------------------------	--

In person conversation with _____

Telephone call to from Dave Dorland 206/282-4200

RE: follow up on meeting C₆ requirement

° Dorland's company had submitted paperwork to WUTC for providing a surcharge on paying for drilling deeper in current wells, and providing disinfection

° WUTC has requested more documentation of the costs.

° Dorland still needs to submit this documentation to WUTC.

IMS response.

- need to get this work done in order to complete the project
- send us documentation of the current depth of the wells.
