RE: Cascade Natural Gas Company – Environmental Remediation Deferral Reporting  
**Docket UG-100589**

Dear Mr. Johnson:

On March 29, 2018, the Washington Utilities and Transportation Commission (Commission) entered Order 02, Order Granting Cascade's Motion to Amend Order 01,<sup>1</sup> allowing Cascade Natural Gas Corporation (Cascade) to file annual reports for the environmental remediation of the Bremerton Site and include the amount of expenses deferred in the period and the balance to date, along with a summary of the status of remediation.

On March 1, 2021, Cascade filed an annual environmental remediation deferral report for the Bremerton Site. The report includes the amount of expenses deferred in the period ended December 31, 2020, and a summary of the status of remediation.

Commission Staff reviewed the compliance filing provided by Cascade dated March 1, 2021, and finds that it complies with the Commission's Order 02, entered March 29, 2018.

Sincerely,

Betty Erdahl  
Regulatory Analyst

---

<sup>1</sup> Order 01, issued September 16, 2010, authorized deferred accounting treatment of expenses related to the environmental remediation of the Old Bremerton Gas Works and Sesko Property Site with nine conditions.
