Re: Boomerang Wireless, LLC d/b/a enTouch Wireless; UT-121610

Dear Mr. King:

On behalf of our client, Boomerang Wireless, LLC d/b/a enTouch Wireless, we submit this notice of changes and upgrades to the Boomerang Wireless, LLC Lifeline Plan. Boomerang is discontinuing offering the 125 minute plan (125 units that rollover where 1 minute equals 1 unit and 1 text equals 1 unit). Demand for this plan has been weak to non-existent in Boomerang's experience. There are no subscribers in Washington with the 125 minute plan.

New plan features include additional minutes and data per month as well as the option to "bring your own device." Attached as **Exhibit "A"** is a complete description of the revised Lifeline Plans. Also attached as **Exhibit "B"** is a copy of our updated marketing materials which will be used to notify potential subscribers of the advances in our Lifeline Plans.

For our records, we ask that you please return an acknowledgement of receipt of these updates to the Lifeline Plan in the envelope provided. Thank you for your usual courtesy and assistance.

Please do not hesitate to call me if you have any questions relating to this matter.

Sincerely,

A handwritten signature in blue ink that reads "J. Andrew Gipson" with a circled "sb" to the right.
