**RE: REPLACEMENT Compliance Filing - Docket Nos. UE-170327 and UG-170328 –
Advanced Metering Infrastructure Status Update**

Dear Mr. Johnson,

Attached for filing with the Commission is an electronic copy of Avista Corporation's, dba Avista Utilities (Avista or "the Company"), "Advanced Metering Infrastructure (AMI) Project Report". The Company initially filed this document and its associated Appendix A on August 28, 2020 and has since discovered an inadvertent "draft" watermark on both documents, as well as an error on the Table of Figures/Tables. These errors have been corrected, and the Company hereby replaces its initial filing in full. No material changes have been made to these documents.

Please direct any questions regarding this filing to me at 509-495-8620 or pat.ehrbar@avistacorp.com.

Sincerely,

Patrick D. Ehrbar
Director of Regulatory Affairs
