Re: Enoch Rowland, d/b/a Kleenwell Biohazard
Docket No. TG-920304

Gentlemen:

I hereby request an extension from September 21, 1992, until October 2, 1992.

The request is necessitated by the fact that I will be spending most of the week of September 14 at the bar convention and I will also be preparing for two superior court trials between now and the due date for the petition.

I have checked with all opposing counsel and have received no objections to my request.

Please advise regarding this matter as soon as possible.

Very truly yours,

James T. Johnson
