Re: Docket No. UT-033044 - Triennial Review
Qwest Corporation's Direct Testimony re: Batch Hot Cut

Dear Ms. Washburn:

Enclosed for filing are the original and 14 copies of the following documents:

Direct Testimony of Dennis Pappas/Lynn Notarianni;
Direct Testimony of Teresa Million;
Direct Testimony of Lorraine Barrick.

Exhibits DP/LN-4 and TKM-2 are provided electronically on disk only. Exhibit DP/LN-4 is a video, and TKM-2 contains the Expense Factors Module for Qwest's cost study. We are not providing redacted versions of Confidential DP/LN-1T, Highly Confidential DP/LN-19HC, and Highly Confidential LB-14HC at this time but will provide them early next week. Highly Confidential DP/LN-20HC is not available at this time due to technical difficulties in accomplishing the CLEC masking required in this docket. However, that exhibit is being provided in unmasked form in other states as Exhibit DP-19. Qwest will consult with the parties to this case on Monday and determine if such an unmasked filing would be acceptable. Confidential and highly confidential documents are being provided pursuant to the Protective Orders in this proceeding.

Sincerely,

Lisa A. Anderl
