**NOTICE GRANTING REQUEST FOR  
EXTENSION OF TIME TO FILE ANSWER  
(Answer due June 20, 2005)**

Re: In re Whatcom Community College Formal Complaint against Qwest  
Docket No. UT-050770

Whatcom Community College filed a formal complaint against Qwest on May 19, 2005. Qwest's answer is due on June 13, 2005. *WAC 480-07-370*.

On June 7, 2005, Qwest requested a one-week extension of time to file its answer, to June 20, 2005. Qwest states that the complaint in this matter is relatively fact-intensive and requires Qwest to research its records back, in some respects, to 1990. A one-week extension will give Qwest an opportunity to provide a more detailed and meaningful answer to the allegations against it. Qwest's counsel conferred with counsel for Whatcom Community College and reports that Complainant does not oppose Qwest's request.

The Commission grants Qwest's request for an extension of time. The Company's Answer is due on or before June 20, 2005.

Sincerely,

CAROLE J. WASHBURN  
Executive Secretary
