

3. CCW's members are Qualifying Facilities under PURPA, 16 USC §824a-3. They sell electricity to Puget Sound Energy pursuant to long-term contracts. These generators are also retail customers of PSE in that they purchase standby service as needed under PSE's Schedule 31. Both as suppliers and as customers, the proposed merger may impact the interests of CCW's members.

4. These represent direct and substantial interests which will not be adequately represented by any other party. CCW therefore requests leave to intervene in this matter, and to fully participate, including the right to offer evidence and to provide legal argument.

WHEREFORE, CCW respectfully petitions the Commission for leave to intervene in this proceeding with the full rights of a party.

Dated this 11<sup>th</sup> day of January, 2008.

Respectfully submitted,
