DOCKET NO. UW-110054

PETITION FOR WAIVER OF WAC 480-07-530

16 1. Pursuant to the Settlement Agreement executed with Commission Staff in this
17 docket, Rainier View filed a number of tariff pages in this docket and in the advice letter for that
18 tariff filing requested that WAC 480-07-530(4) be waived to the extent that that information
19 required by the rule was not provided with the advice filing or was not otherwise provided
20 previously in Docket UW-110054. Commission Staff now believes that a formal Petition for
21 Waiver is required.

1 consumption rates, for example. A depreciation schedule is not necessary in this filing. There are
2 no restating or pro forma adjustments. A balance sheet and income statement are on file with the
3 Commission. The revenue impact has been described in the tariff filing and the notice to the
4 customers. Usage statistics are not needed because they are unrelated to the surcharge and facilities
5 charges. The Commission is fully aware of the Company's public water system ID. It is irrelevant
6 what affiliated interests may exist for the purposes of the surcharge and the facilities charges and
7 the surcharge and the facilities charges do not involve affiliated matters. Rainier View does not
8 have any non-regulated operations.

9 3. Thank you for your consideration of this Petition for Waiver.

10 Respectfully submitted this 1st day of May, 2012.
