TO ALL INTERESTED PERSONS:

This letter informs you of the progress made in this rulemaking docket concerning the possible adoption of proposed revisions to WAC 480-120, Telephone Companies, WAC 480-121, Registration and Competitive Classification of Telecommunications Companies, WAC 480-122, Washington Telephone Assistance Program, WAC 480-123, Universal Service, WAC 480-140, Commission General – Budgets, and WAC 480-143, Commission General – Transfers of Property. This letter also provides notice of an opportunity to file written comments on the proposed rule amendments and to participate in the formal rule adoption hearing scheduled for 1:30 p.m. on Thursday, February 12, 2015.

On December 2, 2014, the Washington Utilities and Transportation Commission (Commission) filed a Notice of Proposed Rulemaking (CR-102) with the Office of the Code Reviser. The proposed rules would amend and eliminate requirements in the existing rules due to the changes that have occurred in the telecommunications

marketplace, and establish damage reporting requirements in accordance with the 2011 amended underground utilities law, Chapter 19.122 RCW. The Commission has reviewed comments received from stakeholders received to date in this docket and has prepared proposed rules for review and comment by interested persons. The proposed rules are available for inspection on the Commission's web page at www.utc.wa.gov/140680. If you are unable to access the Commission's web page and would like a copy of the proposed rules mailed to you, please contact the Commission's Records Center at (360) 664-1234. The CR-102 filing initiates the final part of the rulemaking process, which includes a written comment period, a public adoption hearing, and a decision by the Commission.
