Dear Mrs. Diana Otto,

This is to notify you in writing per our conversation that Art Hammer is no longer our Watermaster. He has resigned effective the First of October. Todd Barker is going to be our new Watermaster and Manager. He has a Temporary Watermaster Certificate until he can take the Watermaster's Test. I included a note to that effect in this month water statement to our customers.

Sincerely Yours,

*Jessica Louise Westphalen*
