Dear Mr. Johnson:

Enclosed for filing on behalf of Puget Sound Energy ("PSE") in the above-referenced docket is a confidential version of a service agreement that was inadvertently omitted from Attachment A to PSE's Response to Bench Request No. 1 filed with the Commission on May 4, 2021. The omitted document is:

City of Tumwater Schedule 139 Service Agreement (C).

A redacted version of this document was included in the materials served and filed on May 4, 2021, and is being provided again for convenience.

Pursuant to the Protective Order (Order 02) in this docket, documents in this filing are designated as confidential because they contain customer-specific usage information and the release of this information would cause harm to customers if released.

Please do not hesitate to contact me if you have any questions.

Very truly yours,

Sheree S. Carson
